BEFORE THEIR DIASPORA

A PHOTOGRAPHIC HISTORY OF THE PALESTINIANS 1876-1948

WALID KHALIDI

BEFORE THEIR DIASPORA is a visual journey into life in Palestine before its partition in 1948. In this rich treasury you'll experience the everyday life of pre-1948 Palestine and events that shaped history. Every important aspect of modern Palestinian history comes to life in the nearly 500 photographs carefully selected from thousands uncovered in private and public collections throughout the world. Descriptive, analytic texts introduce each of the five historical periods into which the book is divided, and detailed chronologies complete the overviews.

"A remarkable retrospective view. This book is beautifully produced. Those who do not buy it will regret it later; it is going to be a classic."

—Ambassador Richard Parker,
Journal of Palestine Studies

"The most effective history of the Palestinians to appear in the United States."

—Ambassador Andrew Killgore,
